

John Charles “Chuck” Mayfield, President, JCM Consulting

Chuck Mayfield is the owner / president of JCM Consulting, a specialty advisory firm that works with business owners and CPAs, as well as legal, financial, and real estate professionals in the area of Cost Segregation and Research & Experimentation (Development) Tax Credits.

Cost Segregation

Chuck has seven years' experience at a major national cost segregation provider, and over four years as the owner of JCM Consulting. During the last four years alone, Chuck has completed over 350 cost segregation studies, on projects ranging from an 800,000 square foot office complex, to a local doctor's office.

R&E (R&D) Tax Credit

Chuck was trained in preparing R&E tax credit studies while at a national provider. Since leaving and forming JCM, he has expanded from cost segregation into R&E Tax Credit studies.

Personal History

Chuck has had the opportunity to speak about tax strategies in front of CPAs and other industry professionals, providing Continuing Professional Education credits in the process. He has been a Senior Member of the American Society of Cost Segregation Professionals (ASCSP) since 2010.

Chuck earned a BBA degree in Accounting and an MS degree in Construction Management from Texas A&M University. In addition to his eleven years in the specialty advisory business, Chuck has seven years' experience in commercial and residential construction.

Chuck and his family have lived and worked in the Dallas / Fort Worth Metroplex area since 2005. He currently serves on the Joshua, Texas city council.
