

Why Join a CFO Program?

Join an exciting venue for interacting with other business leaders. Gain additional insights and resources to help you become more successful.

Participate in informative roundtable discussions with peers from other firms to help with your business challenges.

Topics are member driven, discussions are confidential. Each program is tailored to address the specific needs of the group so that members can apply the ideas and information to their business.

Facilitator Profile

Gary Bender | Entrepreneur, Consultant |
The CFO Solution, Founder & CEO

Gary Bender founded The CFO Solution in 2015 with one goal in mind: share and spread the best practices and processes for private company financial executives. He knows

the tough problems CFOs are faced with because he's overcome them. Now he wants to share the questions you never thought to ask and provide the answers you never knew were there. Gary is currently the Executive Vice President and CFO of SISD, Inc. Previously he was the CFO of Abec, Inc and held finance and general management positions for 20 years prior.

Gary is the recipient of the PA Employer of the Year award and Export Achievement award from Gov. Corbett. He also received the Missouri Works Award from Gov. Nixon in 2013. Gary was also an active member of The CFO Alliance and is part of a number of private company advisory boards.

Join MRC's CFO Forum

MRC offers a CFO Forum for senior financial executives with a strong emphasis on content. Meet with other financial professionals in a confidential setting to share common challenges. This non-competitive peer group provides a platform for area CFOs to learn, share, and develop action plans and strategies through interactive meetings augmented by expert guest speakers who are recognized authorities. The program is member driven and consists of eight (8) monthly sessions.

“ I am always happy when half of my team moves out of finance into other parts of the company. It gives me a chance to bring new opportunities to my finance folks and – I like to say in a disrespectful but joking way – raise the financial IQ of the whole organization by exporting the finance people.”

-Gary Bender
