

# Cyber Security

## NIST, DFARS, & CMMC Compliance

Complimentary Two-Part Webinar Series

# 2022

Join MRC and Cyber Security Solutions (CSS) for a two-part complimentary Cyber Security (NIST, DFARS, & CMMC Compliance) webinar series.

### Part 1: NIST & DFARS Path to Compliance

Tuesday, October 10, 2022 | 10:30 AM – 12 PM

Gain a deeper understanding of properly assessing and implementing NIST and DFARS compliance requirements; detailing the individual documentation and processes that are involved to include:

- Various Assessment Methods
- Proper Assessment Result Logging
- System Security Plans (SSPs)
- Plan of Action and Milestones (POA&Ms)
- Supplier Performance Risk System (SPRS) Upload Assistance

Develop a deeper understanding of the requirements that need to be met in order to meet NIST and DFARS reporting requirements.

### Part 2: CMMC v2.0 Path to Compliance

Tuesday, October 25, 2022 | 10:30 AM – 12 PM

Learn how to identify and implement the proper technology, documentation, and processes required to successfully meet CMMC v2.0 compliance requirements. Gain an understanding about the need for implementing:

- Security Hardware Infrastructure
- Security Cloud Infrastructure
- Managed Security Services and Tools
- 24/7/365 Monitoring & Helpdesk
- Cybersecurity Training
- Policies & Procedures
- Compliance Tracking
- Required Vendor Compliance Mandates

You'll also learn some valuable measures to properly identify the right partners and/or tools for your Cybersecurity Maturity Model Certification (CMMC) journey.
