Why Join a CFO Program?

Join an exciting venue for interacting with other business leaders. Gain additional insights and resources to help you become more successful.

Participate in informative roundtable discussions with peers from other firms to help with your business challenges.

Topics are member driven, discussions are confidential. Each program is tailored to address the specific needs of the group so that members can apply the ideas and information to their business.

CFO FORUM

for
CFOs, Treasurers,
VPs of Finance, Controllers,
and corporate finance leaders
Join the MRC CFO Forum

MRC offers a CFO Forum for senior financial executives with a strong emphasis on content. Meet with other financial professionals in a confidential setting to share common challenges. This non-competitive peer group provides a platform for area CFOs to learn, share, and develop action plans and strategies through interactive meetings augmented by expert guest speakers who are recognized authorities. The program is member driven and consists of eight (8) monthly sessions.

August 2017 — April 2018
