

Safety Risk Management Essentials for Small Manufacturers

Free Lunch & Learn
April 2, 2019 | 8:30 am – 10:30 am

Location:

Manufacturers Resource Center | 961 Marcon Boulevard, Suite 200 | Allentown, PA 18109

Risk Management for small business should not be complicated. This presentation & discussion will focus on the essentials of worker safety as it relates to OSHA compliance and consensus standards. This information will help you frame your risk management efforts and enhance your attitude about worker safety and why you should choose to be safe.

Topics of discussion will include:

- The safety program process
- Top management and supervisor responsibilities
- What to do when OSHA comes knocking.
- Worker training requirements
- Risk management essentials
- Unsafe acts and unsafe conditions
- Safety culture pitfalls

Target Audience: This presentation is geared towards small businesses. Managers, production supervisors, maintenance foreman, and human resource administrators will all benefit from attending.

Registration is required at www.mrcpa.org/events
