

TWI Training Within Industry

Job Instruction Lunch & Learn

TWI's rich history originated in the United States in the 1940s and this training method was a resounding success. The program was born out of the need to rapidly train unskilled workers entering the production workforce as many skilled laborers went off to war.

Today, many of our manufacturers struggle with onboarding and enabling new employees to be productive and error free quickly.

Where: MRC | 7200A Windsor Drive,
Allentown, PA

When: February 14th,
11:30 am – 1:00 pm

Cost: FREE Lunch & Learn

Presenter: Mike Withka, Senior Strategy
Manager, Lean Coach

Registration Required: mrcpa.org/events

In this free Lunch & Learn, you will learn what TWI Job Instruction (JI) is all about and how it can help you gain the benefits of a consistent training program. You will see a demonstration of the methodology and gain insight into why it works.
