

# Leadership's Role in Sustaining a Lean Culture

November 1-2, 2022 | 8:30 am – 4:30 pm

Internationally renowned teacher and author, [Mike Hoseus](#) is coming to the Lehigh Valley to teach on the topic of Executive Lean Business Applications and Leadership's role in sustaining a Lean culture. This two-day event is all about how to develop yourself and your organization into high performers that can deliver sustainable business results. Leadership is the most frequently identified gap in organizations striving toward world class excellence.

This comprehensive workshop will explore the role of leadership in a culture transformation, facilitate identification of gaps in your organization and then give practical methodologies and processes to address,

## Course Learning Objectives

- Learn actions to immediately improve your profits and cash flow
- Understand why focus on “cost cutting” in these challenging times is the wrong approach
- Learn why “delegating lean” to others doesn't work, and may hurt your bottom line
- Understand and implement processes and systems to sustain your improvement activity

## Agenda includes:

Lean Leadership System – True North and Hoshin Kanri

Connecting Lean Work Systems with your Lean People Development System

Lean Management System

Problem Solving at All Levels (*And much more ...* (full outline at [www.mrcpa.org/events](http://www.mrcpa.org/events))

About the Instructor:

[Mike Hoseus](#)

Executive Director  
Center for Quality People &  
Organizations (CQPO)

Mike is Executive Director for the Center for Quality People & Organizations (CQPO) and is known for both manufacturing operations and specialization in Human Resource experience to CQPO. CQPO is an organization developed in 1999 as a vision of Toyota Motor Manufacturing to share Lean Quality philosophy and human resource practices with education, business, and community organizations. CQPO's current projects with Toyota include New Hire selection and training process, Team Leader and Group Leader post promotion training, Quality Circle Leader and Manager training, and Global Problem Solving for all levels.

Mike is an adjunct professor with the University of Kentucky's Lean Manufacturing Program. Mike is coauthor with Dr. Jeffery Liker (Author of the Toyota Way) of Toyota Culture. Mike is an adjunct professor with the University of Kentucky's Center for Manufacturing and a member of the faculty of Lean Enterprise Institute.
