

# Reducing Your Energy Costs

## Complimentary Webinar

# 2022

Join MRC and A1Energy for a complimentary webinar on reducing your energy costs.

### How Can I Reduce Energy Costs in This Crazy Market?

- **Shop Smart**  
What is behind current energy prices and what you can do
- **Energy Efficiency**  
6 Ways to reduce energy costs at your business with a relatively quick payback
- **Onsite Generation**  
Is it time to look at onsite generation not only as a means to meet sustainability goals but also as a hedge against volatile market pricing?
- **What is Storage All About?**  
Peakers? Load shift? Grid services? Does any of this make sense?

Visit [mrcpa.org/events](http://mrcpa.org/events) for full webinar details.

### Who Should Attend

All business owners / decision makers will not only be informed on the current and future energy market conditions but also be updated on some of the issues they have looked at in the past. Any size business owner will gain knowledgeable information but the presentation may offer larger companies more actionable items.

 **Aug. 24, 2022**

 **10:30 AM – 12 PM**

 **Complimentary Webinar**

 **Virtual - You will receive a Zoom link via email 3 days prior to the webinar**

 **Register is Required:**  
[mrcpa.org/events](http://mrcpa.org/events)

\*Date and times subject to change.  
Visit [mrcpa.org/events](http://mrcpa.org/events) for current details.
