

OSHA 10-Hour General Industry Outreach Program

Enhance Workplace Safety with Our OSHA 10-Hour General Industry Outreach Course!

Are you responsible for safety compliance within your facility? Want to equip yourself or your team with the essential knowledge to ensure a safe work environment? Look no further! Our OSHA 10-Hour General Industry Outreach Course is the perfect solution.

Conducted over two action-packed days, our expert instructor, John Greenwade, will cover a comprehensive range of topics, including an overview of OSHA, hazard communications, personal protective equipment, machine safeguarding, fire prevention and protection, electrical safety, fall protection, and ergonomics.

Participants will receive an OSHA-10 completion card for attending and completing the program. This industry-recognized certification will enhance your credentials and demonstrate your commitment to workplace safety.

Course Highlights

- Introduction to OSHA
- Electrical
- Hazard Communication
- Personal Protective Equipment
- Walking & Working Surfaces, Including Fall Protection
- Machine Guarding
- Safety and Health Program
- Ergonomics
