

Automation & Manufacturing TECHNOLOGY SHOW

Apr. 25, 2024

Discover the future of manufacturing at our Automation and Manufacturing Technology Show, where proven technology will be on display that can be used as a tool for employee attraction and retention. Explore automated solutions that streamline processes, enhance job satisfaction, and improve transfer of knowledge from your retiring team members to new hires.

Join us to learn how automation is redefining the manufacturing landscape and learn how automation can take your operation to the next level!

Elevate Your Process, Elevate Your People!

No matter what you manufacture, the MRC AMT show is for you.

There are no other events like this local to the Lehigh Valley that provide the opportunity to connect with industry peers, potential partners, and solution providers in a half-day event! Bring your whole team!
