

Building Leaders from the Ground Up: MRC's Pathway to a Stronger Leadership Pipeline

Complimentary Webinar

Jan. 14, 2026

Strong leadership doesn't happen by chance; it's built through intentional development at every level.

This webinar introduces MRC's leadership training pathway designed to grow confident, capable leaders from the frontline to senior management. Whether you're just starting your leadership journey or preparing to lead other leaders, this session will showcase how our progressive leadership programs - from Supervisor Bootcamp to the Manufacturing Leadership Institute (MLI) - can transform your organization's leadership culture.

-  Jan. 14, 2026
-  10:00 AM – 11:00 AM
-  Complimentary Webinar
-  Virtual via Zoom
-  Registration is required:
mrcpa.org/events

*Fees and times subject to change. Visit mrcpa.org/events for current details.

Webinar Highlights

- Explore a clear, progressive leadership development pathway tailored for manufacturing and industrial environments
- Learn how each course builds on the next - from foundational skills to strategic leadership
- Discover how leadership training improves retention, engagement, and operational performance
- Get guidance on selecting the right starting point for yourself or your team
- Preview course formats, schedules, and outcomes to plan your leadership development strategy

Who Should Attend

- New or Aspiring Supervisors looking to build confidence and core leadership skills
- Experienced Leaders ready to take their leadership to the next level
- HR and Training Professionals responsible for leadership development and succession planning
- Operations and Plant Managers seeking to strengthen their leadership bench
- Executives and Organizational Leaders interested in building a sustainable leadership pipeline

Presenter

Janelle Rabenold | MRC Director, Leadership Development and Training Strategy

Janelle brings over 15 years of leadership and organizational development experience to MRC's Operational Excellence Program. A trusted coach, facilitator, and partner, she helps individuals and teams achieve personal and business success through her expertise in leadership and talent development. She holds a B.S. in Business Administration from Albright College, an M.S. in Human Resource Management and Learning & Performance Management from Moravian University, and is a Certified Everything DiSC Practitioner.
