

Join us for this complimentary webinar where Netizen's COO, Akhil Handa, will provide a comprehensive refresher on CMMC 2.0. He'll break down what has changed, what remains the same, and what it all means for manufacturers today.

As the November 10th deadline approaches, this session will help organizations cut through the complexity and focus on the practical actions needed to stay compliant and competitive within the defense supply chain.

During this webinar, he will focus on what steps manufacturers can take to help prepare for the looming November 10th deadline.

 **May 13, 2026**

 10:00 AM – 11:00 AM

 Complimentary Webinar

 Virtual via Zoom
